

Notice

Publication of Results of the 2nd Internal Assessment and Redressal of Grievances Concerning the Evaluation Process

Date: 22/11/2023

All the students of the current semesters (I, III, & V) are hereby informed that the results of their second Internal Assessment are published, and they can express their grievances, if any, regarding the evaluation process by 30/11/2023 in writing. Grievance letters should be addressed to the Head, Department of Zoology, and mailed to the departmental email id. The department will take utmost care to redress such grievances to maintain the transparency of the system of continuous internal assessment.
