**NOTICE**  
**[22.07.2020]**

It is hereby notified that the Department of Botany is organizing a webinar on "Looking at the biological macromolecules through the lens of structural Biology" on 8th Aug, 2020 under the Webinar lecture series on 'Career Trends in Research & Development'. All UG and PG Students as well as Research Scholar, Faculty members can apply through the google form by link attached as a QR Code. The last date for registration is 06.08.2020 11:59 PM.

All participants must register without which they will not be allowed to participate in the webinar. The link is also available in the flyer of the webinar.

## Webinar Lecture Series on Career Trends in Research & Development

organised by

Department of Botany,  
Govt. General Degree College at Kaliganj

### Session-I

*Looking at the biological macromolecules  
through the lens of structural biology*

On Aug 8, 2020  
11 AM to 12:30 PM

PLATFORM

#### Resource Person

#### Dr. Meenakshi Ghosh

PhD (IISc, Bengaluru)  
Analytical Specialist,  
Dr. Reddy's Laboratory  
Hyderabad, India

[CLICK HERE TO REGISTER  
FOR FREE](#)

- ❑ This webinar is mainly organized for Undergraduate, Postgraduate students, Research Scholars of biological sciences and anyone who is interested.
- ❑ Registration is completely FREE and compulsory. The link is given below.
- ❑ Registration to be completed by 11:55 PM, 06<sup>th</sup> August, 2020.
- ❑ The Google Meet Meeting ID and other relevant details will be mailed to all participants.
- ❑ In the event of the number of participants exceeds 100, the Webinar will be live streamed on YouTube, the link of which will be sent to participants subsequently.
- ❑ E-certificate will be issued to each participants after submission of Feedback Form. The link of the Feedback form will be posted in the Chat box of Google Meet as well as in YouTube comment box (if applicable).

On 8<sup>th</sup> August, 2020

11AM-2 PM

**Programme Schedule**

Time	Programme
10:50-11:00 AM	Joining of Participants in the Webinar Platform
11:00- 11:05 AM	Introduction to the Webinar on Career Trends in Research & Development: 'Looking at biological macromolecules through the lens of structural Biology' By Sri Partha Lodh, Head, Department of Botany, GGDC, Kaliganj
11:10- 11:20 AM	Welcome Address by Hon'ble Officer-In-Charge, Dr. Tulika Talukdar (Lahiri)
11:20 - 11:30 AM	A brief Introduction of the Resource Person Dr. Meenakshi Ghosh.
11:30 - 1:30 PM	Lecture by Resource Person Dr. Meenakshi Ghosh PhD. (IISc, Bengaluru), Analytical Specialist, Dr. Reddy's Laboratories, Hyderabad, India.
1:30 - 1:45 PM	Question & Answer/Interaction Sessions
1:45 - 1:55 PM	Vote of thanks by Programme Co-ordinator Sri Partha Lodh, Head, Department of Botany, GGDC, Kaliganj
1:55 - 2:00 PM	Distribution of Feedback Form

**Details Report**

In view of the need of our society and emerging career opportunities in Biological Sciences in the times of pandemic the Department of Botany, Govt. General Degree College Kaliganj independently organized a webinar on “Looking at the biological macromolecules through the lens of structural biology” on 8th Aug, 2020 under the Webinar lecture series on ‘Career Trends in Research & Development’. The resource person was Dr. Meenakshi Ghosh, PhD. (IISc, Bengaluru), Analytical Specialist, Dr. Reddy’s Laboratories, Hyderabad, India. The programme started with a short inaugural session by Welcome Address by Officer-In-Charge, Dr. Tulika Talukdar (Lahiri), followed by a brief introduction by Head of the Department Shri Partha Lodh. During the lecture different tools and methodologies adapted by biologists was discussed in the realm of Biophysics. An enthralling discussion on different tools and techniques followed by a discussion of career opportunities for a structural biologist in the R & D sector particularly in the Pharmaceutical Industry. The lecture followed by an engaging Q&A Sessions with ample number of responses from participants. A total of 74 participants attended the webinar from all over the country.

**Outcome:** The webinar was a great success with positive and enthusiastic feedback from most of our participants which was also reflected by the average rating of 8.9 out of 10 on overall experience of the webinar from the participants. A lot of feedback suggested this lecture series should be continued in order to give exposure to the young biologists. As a result, a successive Webinar is planned to invite a resource person from abroad.
